Dear David:

Based on the recommendation of its Subcommittee on Admissions and Programs, the Faculty Council on Academic Standards has recommended approval of the revised degree requirements for the Bachelor of Music degree in Jazz Studies. A copy of the change is attached.

I am writing to inform you that the School of Music is authorized to specify these requirements beginning autumn quarter 2004.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Explanation of and Rationale for Proposed Change: (Please use additional pages if necessary. For new programs, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support, and departmental handouts.)

This wording change is to allow more flexibility for Jazz Studies Undergraduate students. In the past, students in Jazz Studies have had to choose from a small number of courses to satisfy their 9 credits of "division-approved upper-division MUSIC or HUHST electives," many of which are no longer offered frequently. Jazz Studies is deleting wording to allow students to choose from any of the approved upper-division MUSIC or MUHST courses.
