Dear David:

Based on the recommendation of its Subcommittee on Admissions and Programs, the Faculty Council on Academic Standards has recommended approval of revised requirements for the Bachelor of Science degree in Psychology. A copy of the changes is attached.

I am writing to inform you that the Department of Psychology is authorized to specify these requirements beginning winter quarter 2005.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,
