Dear Ron:

Based on the recommendation of its Subcommittee on Admissions and Programs, the Faculty Council on Academic Standards has recommended approval of the revised requirements for a minor in Latin American Studies. A copy of the change is attached.

I am writing to inform you that the Henry M. Jackson School of International Studies is authorized to specify these requirements beginning winter quarter 2007.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,

Explanation of proposed changes or new programs. Attach additional page if necessary: <p>This application proposes a reorganization of the Latin American Studies minor so that its categories and course lists are parallel to those now used in major (substantially revised Autumn Quarter 2005). The three broad course groupings in the minor will be (1) history; (2) contemporary Latin America; and (3) electives. In addition, this application replaces detailed citation of acceptable courses with references to lists that will be maintained on a web page. We believe the result will be equally acceptable for advising (and self-advising) purposes, and far simpler from an administrative standpoint.</p>
