EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new programs, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

We want to be able to expand the number of 400-level courses we may identify as senior capstone courses for our majors. The current list of specific courses does not include all those we would wish to use. Our faculty has approved two additional courses recently, ENGL 451, 452, but we decided to try a different approach than submitting two additional course numbers for approval, since we may be approving additional options for the capstone.
