EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE
For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).
Beyond first year calculus (MATH 124/125/126 or MATH 134/135/136) there are several subsequent 300 level course offerings available to future mathematics majors. Our change allows a student to declare the Bachelor of Arts Standard major earlier and fully access departmental resources, such as advising.

OTHER DEPARTMENTS AFFECTED		
List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
