Dear Curriculum Committee,

In addition to the 1503 program change requests that the Department of Slavic Languages and Literatures recently submitted, we would like to request that a recently created undergraduate course be added as an elective to the two major options.

For the 1503 for the Major: Option in Russian, Language, Literature, and Culture we request that SLAV 401 be counted toward the elective category.

For the 1503 for the Major: Option in East European Languages, Literatures, and Cultures, we request that SLAV 401 be counted toward the elective category.

Thank you for your consideration,
