## EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

We are expanding the list of acceptable prerequisites for admission in our four basic content areas: Sociology; Psychology; Human Biology; and Economics/Political Sciences. This expanded list of options will allow for greater student choice and fewer delays in progress due to closed prerequisite courses.

## OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. \*See online instructions.
