EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (*Use additional pages if necessary*).

The Linguistics department is consolidating their prefixes, eliminating ROLING/FRLING and giving responsibility to the SPLING prefix to Spanish & Portuguese studies). The Romance Linguistic major requires one ROLING course scheduled to be dropped and needs to change the program requirements to reflect the new LING 419 (Senior Essay in Romance Linguistics). The major also recommends ROLING 402 which hasn't been offered in years and should be removed. There is a 1 net 1 credit increase in the major requirements.
