EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. *(Use additional pages if necessary).*

The change requested drops BECON 424 as a required course on the graduation requirements list. The course will move to the elective list of courses to take. The reason for this is that- Only a few of the finance elective courses use the tools that are taught TBECON 424. Those that do use the tools taught in TBECON 424 have this course as a prerequisite. As such, TBECON 424 should not be required of all finance students and should be an upper level elective.

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
