Dear Bob:

Based on the recommendation of its Subcommittee on Admissions and Programs, the Faculty Council on Academic Standards has recommended approval of renaming the minor in Values in Society to a minor in Ethics. A copy of the change is attached.

I am writing to inform you that the Department of Philosophy is authorized to specify these requirements beginning autumn quarter 2014.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,

A handwritten signature in black ink that reads "Michael K. Young".

Michael K. Young
President

EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

Changing the name of the minor from "Values in Society" to "Ethics" will make clearer what the content of the minor is. The goal of the minor is to give the students the tools and the opportunity to explore the ethical dimensions of issues in their discipline or other issues they are interested in. "Values in Society" is too abstract to convey that information. "Ethics" conveys it directly.

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
