EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. (Use additional pages if necessary).

The BASW Program Committee has been discussing changing the number of credits of the three clinical skills courses from 3 to 5 credits. This change would allow for more time in the classroom to practice the skills in groups. Also, the faculty believe that meeting twice/week instead of once/week will help the students to maintain momentum in their learning.

This 1503 only changes the number of credits for Soc Wf 310, 311 and 312 (course change applications submitted at the same time) and increases by 6 the total number of credits required for the degree – the credits being added through changing these courses.

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.
