

UNIVERSITY of WASHINGTON

Michael K. Young
President

February 25, 2015

Dean Robert C. Stacey
College of Arts and Sciences
Box 353765

Dear Bob:

Based on the recommendation of its Subcommittee on Admissions and Programs, the Faculty Council on Academic Standards has recommended approval of the revised program requirements for the option in Human Evolutionary Biology within the Bachelor of Arts degree in Anthropology. A copy of the change is attached.

I am writing to inform you that the Department of Anthropology is authorized to specify these requirements beginning spring quarter 2015.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,

A handwritten signature in black ink that reads "Michael K. Young".

Michael K. Young
President

New Programs

Leading to a Bachelor of ___ in ___ degree.

Leading to a Bachelor of ___ degree with a major in ___.

Leading to a Human Evolutionary Biology Option within the existing major in Anthropology.

Leading to a minor in ___

Changes to Existing Programs

New Admission Requirements for the Major in ___ within the Bachelor of ___.

Revised Admission Requirements for the Major in ___ within the Bachelor of ___.

Revised Program Requirements for the Major in ___ within the Bachelor of ___.

Revised Requirements for the Option in Human Evolutionary Biology within the major in Anthropology.

Revised Requirements for the Minor in ___.

Other Changes

Change name of program from ___ to ___.

Change delivery method or location of program.

New or Revised Continuation Policy for ___.

New Honors Requirements for ___.

Eliminate program in ___.

Proposed Effective Date: **Quarter:** Autumn Winter Spring Summer **Year: 20 15**

Contact Person: Patricia Kramer	Phone:	Email: pakramer@uw.edu	Box: 353100
---------------------------------	--------	------------------------	-------------

EXPLANATION OF AND RATIONALE FOR PROPOSED CHANGE

For new program, please include any relevant supporting documentation such as student learning outcomes, projected enrollments, letters of support and departmental handouts. *(Use additional pages if necessary).*

We want to add a choice to the courses required for the option. Currently, we required BIO A 101 Human Evolutionary Biology. Transfer students are hesitant to take a 100-level course, yet this is an important topic, so we are in the process of creating a 300-level version, BIO A 348 Evolutionary Biology and Human Diversity. Students would be required to take either BIO A 101 or BIO A 348.

OTHER DEPARTMENTS AFFECTED

List all departments/units/ or co-accredited programs affected by your new program or changes to your existing program and acquire the signature of the chair/director of each department/unit listed. Attach additional page(s) if necessary. *See online instructions.

CATALOG COPY

Catalog Copy as currently written. Include only sections/paragraphs that would be changed if your request is approved. Please cross out or otherwise highlight any deletions.

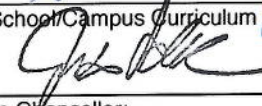

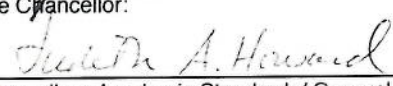

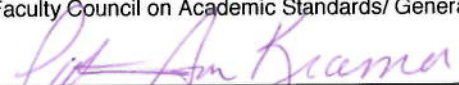

Human Evolutionary Biology (HEB) Option: Requirements for the general anthropology major, as shown above, to include both BIO A 101 and BIO A 355 and 15 credits from the courses approved for the HEB option. A list of approved courses is available at the department advising office (247 Denny) or on the department website.

PROPOSED CATALOG COPY

Reflecting requested changes (Include exact wording as you wish it to be shown in the printed catalog. Please underline or otherwise highlight any additions. If needed, attach a separate, expanded version of the changes that might appear in department publications).
Please note: all copy will be edited to reflect uniform style in the General Catalog.

Human Evolutionary Biology (HEB) Option: Requirements for the general anthropology major, as shown above, to include BIO A 355; either BIO A 101 or BIO A 348; and 15 credits from the courses approved for the HEB option. A list of approved courses is available at the department advising office (247 Denny) or on the department website.
