Hi Patricia.

So last year the only approved admission suspensions were the following:

Humanities ED – through SPR/2014
Communication ED – through SPR/2015
Social Sciences ED – through SPR/2015
English ED – through SPR/2015

This is the link for DXARTS' suspension back in 2011 but according to my records it was actually never officially approved by FCAS and I do not have any other records requesting an extension from them?

Lastly I have attached the SCAP agenda as of today.

Hi Patricia,

I can look in the folder tomorrow. I have been doing data entry from yesterday all day (still working on it...).

According to member it was DXARTS and Evening Degree – I can also confirm tomorrow.

Hi Jennifer,

In the delightful stack of SCAP work, by chance is there a 1503 from DXARTS asking to suspend their major until an RCEP can occur?

Also, are we (that means YOU) keeping a list of majors that have been suspended so that we can keep tabs on when they come to an end?

Patricia

Hi Dick,

This was unofficially approved a few years ago and DXARTS is not in compliance with FCAS order to either do an RCEP or reinstate admissions. FCAS will be letting me know how they want us to proceed shortly.

Hi, Jennifer. The DXARTS web site says undergrad admission is suspended for the current year. (There's no date on this statement, so I don't know if that means the year that is just starting, or last year.) Neither the catalog nor authoritative says anything about this suspension - they both simply list the admission requirements.

Let me know if you want me to contact the department about this.
