February 25, 2015

Dean Robert C. Stacey College of Arts and Sciences Box 353765

Dear Bob:

Based on the recommendation of its Subcommittee on Admissions and Programs, the Faculty Council on Academic Standards has recommended approval of the revised program requirements for the Bachelor of Arts degree in Spanish. A copy of the change is attached.

I am writing to inform you that the Department of Spanish and Portuguese Studies is authorized to specify these requirements beginning autumn quarter 2015.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,

Michael K. Young President

SPAN 400-405 are advanced Spanish linguistics courses. The current restriction on the number of courses allowed in this group was put in place for two reasons. First, because the Division had only one linguist, resulting in limited course offerings. Second, the Division had a large number of majors, most of whom, were interested in taking these courses. If SPS had not had this limit, many students would not have had the opportunity to take even one course from this group. Consequently, this restriction was implemented. These two reasons no longer exist. First, the Division recently hired a lecturer, who is a linguist, allowing us to offer 400-level linguistic courses on a regular basis. Second, the number of Spanish majors has decreased by approximately 50% over the last several years, resulting in less enrollment pressure on these courses.
