Dear Howie:

Based on the recommendation of its Subcommittee on Admissions and Programs, the Faculty Council on Academic Standards has recommended approval of the revised program requirements for both the Bachelor of Arts and the Bachelor of Science degrees in Public Health. A copy of the changes is attached.

I am writing to inform you that the School of Public Health is authorized to specify these requirements beginning winter quarter 2015.

The new requirements should be incorporated in printed statements and in individual department websites as soon as possible. The *General Catalog* website will be updated accordingly by the Registrar's Office.

Sincerely yours,
